Scam Alert for Connecticut LLCs

Originally published by the Connecticut Society of CPAs on January 2, 2019

We have received notification that businesses organized as Limited Liability Companies (LLCs) are receiving a form requiring payment of a "\$110 annual report fee" relative to a "2018 – Annual Report Instruction Form (Connecticut LLCs)" from Workplace Compliance Services, 1022 Boulevard #243, West Hartford, CT 06110. The form apparently is being received in the regular U.S. postal service in hard copy.

This is a scam and no payments should be made to Workplace Compliance Services.

The hard-copy form Workplace Compliance Services sent to LLCs looks deceptively like a real state tax form, so it is easy to understand how people could be fooled by it.

Department of Revenue Services is aware of this matter, as are the Secretary of the State (SOTS) and the Attorney General.
